Foetal Alcohol Spectrum Disorders (FASD) in adopted children

Children adopted today are at a high risk of having FASD. Learn more about what FASD is, the long-term impacts and how we can support our children.

Topics covered in this course:

- What are Foetal Alcohol Spectrum Disorders?
- What is the impact of drinking in pregnancy?
- How do Foetal Alcohol Spectrum Disorders affect people at different life stages?
- What are the barriers to diagnosis?
- Why a child may display challenging behaviour
- What you can do to help a child with their behaviour
